ELECTRONIC MEASUREMENT LABS, INC.

"Best in Gas Detection" (800) 452-6822

Sales / Tech Support / Service

PLEASE PRINT THIS FORM FOR CALIBRATION OR REPAIR AND RETURN WITH YOUR INSTRUMENT TO THE ADDRESS BELOW.

Return shipping instructions:

1. Ship material prepaid and insured to:

Customer's Billing Information

Authorized by:

- Electronic Measurement Labs, Inc. Attn: Technical Services 668 Easton Avenue Somerset, NJ 08873
- 2. Requests for estimate of repair will be subject to a \$69.00 evaluation fee should you decide not to proceed with repair or replacement. In the event you decide to purchase a new instrument within 120 days of the invoice, the evaluation fee will be credited toward that purchase.
- 3. After repair, your unit is calibrated to original factory settings or written custom specifications and is warranted against defects and workmanship of items repaired for 30 days. Disposable items are not covered under warranty. Suitability for use lies solely with user or safety personnel.
- 4. Repairing or altering of this article of equipment beyond the scope of maintenance instructions by stations other than factory or EML may void all warranties and approvals and could cause the product to fail to perform as designed. Please refer to your instrument manual for all operating instructions.

Date:
